2024-2025 Tuition Rates

Tuition is based on an academic school year amount. We divide the annual amount into 10 equal monthly payments for billing from August 1st 2024 to May 1st 2025 for your convenience. The monthly amount is simply a matter of practicality for making monthly payments. The annual school year takes into account all the days that the school is closed for holidays and administrative purposes. Tuition is for the full academic year from Sept 3rd 2024 to May 30th 2025 (or remainder) and is not subject to adjustment due to illness, vacation or absence from school. A separate summer program during the month of June is optional.
